Dear Mr. Sasser:

The Staff has reviewed your petition and needs further information in connection with the filing (Docket No. 02-00291). Listed below are the requested items. This office should receive your responses no later than May 29, 2002.

1. Provide a statement as to why Cherokee Landing Corporation ("Cherokee") is not a public utility as per T. C. A. § 65-4-101 and Tennessee Authority Rule 1220.
2. According to the purchase agreement between National American Corporation ("NAC") and Johnson Properties, Inc. ("Johnson") Cherokee was sold to Johnson. Also, contained in the agreement is a provision that excludes the transfer of "certain public water facilities" and is to remain the property of Cherokee. Was Cherokee actually sold to Johnson?

Thank you for your attention to this matter. If you should have any questions, you may contact Butch Phillips at (615) 741-2904, ext. 183.

Sincerely,

A handwritten signature in dark ink, appearing to read "D. Waddell", is written over a horizontal line.
